Yoga Super® Workstation mat

Applications

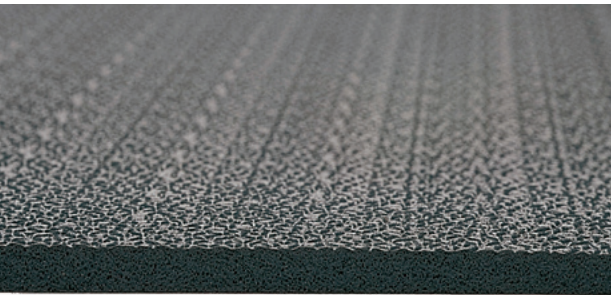

Yoga Super is a good solution for storage areas, sales counters, assembly stations and all static-sensitive work areas.

The benefits at a glance

- Yoga Super is made of Zedlan wich provides exceptional resilience and unsurpassed durability
- Good anti-fatigue properties, sound and shock absorbing
- Bevelled edges to reduce tripping hazards
- Smooth closed-cell surface for easy cleaning
- The Zedlan mat dissipates static electricity and is approved according to ESD (Electro-Static-Discharge) standards
- Can easily be cut to size to adapt to any working place
- Silicon-free

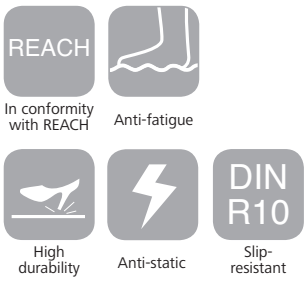

Instructions for use and cleaning

- Easy to installed without extra fixing or gluing
- To clean the mat, just brush off the dirt

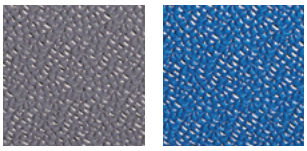

Properties
