Heronrib 2000® Workstation mat

Applications

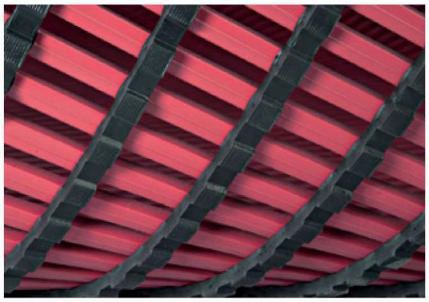

Heronrib 2000 is suitable for indoor and outdoor use (except red matting)
The ideal matting for showers and changing rooms, for saunas, around whirlpools and all other barefoot traffic in swimming pools.

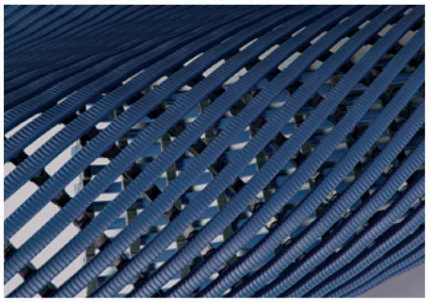

The benefits at a glance

- The mat is dyed through, non-porous and therefore very hygienic.
- Anti-bacterial additives for areas where people walk mostly barefoot.
- Resistant to corrosion, to UV radiation (except red matting) and the most common acids or alkaline solutions.
- This matting is made from vinyl sections with channelled underbars for optimum four-way drainage of large amounts of water.
- Hard-wearing and resistant to pressure and mechanical strain
- Temperature-resistant from – 23°C up to + 60°C

Instructions for use and cleaning

- The mat can be installed without extra fixing or gluing
- Easy to clean with high-pressure cleaners
