Applications

The Two-in-One mats provide the ideal solution for indoor use in areas with heavy pedestrian traffic. The fully synthetic mats ensure that your floor stays clean and dry.

The benefits at a glance

- Made of long-fibre Olefin with vinyl backing and hard polypropylene loops
- Excellent dirt-trapping capacity
- Water retention capacity of up to 7 l per m² (Olefin)
- Fast-drying and odourless
- Extremely hard-wearing
- Color- and light-fast
- Environmentally friendly

Instructions for use and cleaning

- Easy to clean; compatible with most common detergents
- Easy to cut to size and shape; easy to lay
